After our British Winter, greet the Spring with a taste of Moroccan culture and singing, in a week of warmth and relaxation. Enjoy staying in 'La Maison Anglaise', a beautiful, authentic, sustainably run guest house, located in the ancient walled market town of Taroudant. Away from the principal tourist trails, it is an ideal place to enjoy an attractive, genuinely Moroccan environment and to soak up the local culture. Please see [www.holidays-with-heart.co.uk](http://www.holidays-with-heart.co.uk) for exciting information and genuine reviews [www.cecu.co.uk/reviews/](http://www.cecu.co.uk/reviews/)

Vivienne is an experienced workshop leader whose whole career has been in singing and music. She believes in the magic of singing to lift our spirits, to give us joy, to reach deep into our souls and to create community. She will teach heart-warming harmony songs of varied styles and traditions which will include the whole range of human expression and emotion.
