- Based in Taroudant, an ancient walled market town little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff. Enjoying the best winter climate in Morocco due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables, it lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara). Only an hour's drive from the sandy, rocky and marshy habitats of the Atlantic coast
- Support of 9 charming English-speaking Moroccan staff experienced in running successful group holidays
- A wide choice of other authentic activities including option to support charitable projects
- Substantial pre-visit information and support from owner with 25 years' experience of Morocco
- A chance to buy some beautiful handcrafted items, food and other delights in the souks
- Explore the fascinating culture with the help of delightful guides; option to trek or laze in the sun
- Feel safe thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Good WiFi and mobile network. Short, inexpensive flight; 50 minute road transfer with our own safe drivers. Compared with Europe, better value for money
