- Based in Taroudant, an ancient walled market town little visited by tourists and with shopper-friendly souks
- Enjoying the best winter climate in Morocco due to its southerly setting in the fertile Souss Valley between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara). Only an hour's drive from the sandy, rocky and marshy habitats of the Atlantic coast
- Cared for by 8 charming English-speaking Moroccan staff experienced in running successful group holidays
- Kate is a highly experienced singing teacher who is now offering Feldenkrais too

*"If only there were more places like this: a medina house run by locals offering a rare glimpse into Moroccan life. They offer skilled guides, exciting cultural experiences and delicious Moroccan meals." Lonely Planet*

- Wide choice of other authentic activities including option to support charitable projects
- Substantial pre-visit information and support from us – we have 20 years' experience of Morocco
- A chance to buy some beautiful handcrafted items, food and other delights in the souks
- Explore the fascinating culture with the help of delightful guides or alone or laze in the sun
- Feel safe thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water, a small relaxed and friendly town with few tourists. Good WiFi and mobile network. Short, inexpensive flight
