New web site and database and help in the office I'm very lucky that Steve and Christine not only have many years' experience of our holidays and the related office systems but also live in the same village. We are well on the way to producing a better web site and recording your bookings in a more flexible way.

All the staff are well; they had a celebration too since -coincidentally -the Prophet's Birthday fell at Xmas this year. They join me in sending you very best wishes for 2016 and hope to see you soon.

Warm Wishes,

Jane, Christine and the Moroccan team- the 2 Latifas, the 2 Saids, Dounia, Nordine, Fatima and Rachid
