Rowena Whitehead is a highly experienced singing leader returning for the third time to weave magical singing into the week's experiences.

Based in Taroudant, an **ancient walled market town** little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff.

Enjoying the **best winter climate in Morocco** due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables, it lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (beyond which lies the Sahara).

Only an hour's drive from the sandy, rocky and marshy habitats of the Atlantic coast

Support of 9 charming English-speaking Moroccan staff experienced in running successful group holidays. Read our **outstanding reviews** [here](#)

A **wide choice of authentic activities** option to support charitable projects.

Substantial pre-visit information and support from owner with 20 years' experience of Morocco.

A chance to buy some beautiful handcrafted items and other delights.

Explore the fascinating culture with the help of delightful guides; option to trek or laze in the sun.

Feel safe thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Good WiFi and mobile network. Short, inexpensive flight; 50 minute road transfer with our own safe drivers. Compared with Europe, better value for money.

"If only there were more places like this: a medina house run by locals offering a rare glimpse into Moroccan life. They offer skilled guides, exciting cultural experiences and delicious Moroccan meals." Lonely Planet

More Information: about Morocco please contact jane@holidays-with-heart.co.uk or visit www.Holidays-With-Heart.co.uk or about singing contact Rowena at talkingintune@ntlworld.com

** Note. We reserve the right to amend the cost of the holiday if the exchange rate is severely and adversely affected by factors beyond our control such as Brexit. Costs are calculated at least a year in advance and can cater for normal exchange rate fluctuations, but not extreme, sudden changes that may occur in these politically uncertain times. The good news is that the Moroccan Dirham has been much less volatile than the Euro in relation to the GBP!
