Harmony Singing We are delighted to welcome **Bruce Knight** as our song leader for the week. Bruce has led singing workshops and community choirs for almost 20 years and is well known on both the choirs festival and camp scene. He likes to arrange and teach many styles of simple harmony songs which are “immensely satisfying to sing”. Bruce is known for his wonderfully inclusive and relaxed style, and his talent for enabling people to sing with wild abandon. Bruce has previously spent 6 weeks in Morocco with his family and can’t wait to return!

Based in Taroudant, an **ancient walled market town** little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff.

Enjoying the **best winter climate in Morocco** due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables, it lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (beyond which lies the Sahara).

Only an hour’s drive from the sandy, rocky and marshy habitats of the Atlantic coast

** Note. We reserve the right to amend the cost of the holiday if the exchange rate is severely and adversely affected by factors beyond our control such as Brexit. Costs are calculated at least a year in advance and can cater for normal exchange rate fluctuations, but not extreme, sudden changes that may occur in these politically uncertain times. The good news is that the Moroccan Dirham has been much less volatile than the Euro in relation to the GBP!
