Based in Taroudant, an ancient walled market town little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff.

Enjoying the best winter climate in Morocco due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables, it lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara).

Only an hour's drive from the sandy, rocky and marshy habitats of the Atlantic coast
