Based in Taroudant, an ancient walled market town little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff.

Enjoying the best winter climate in Morocco due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables, it lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara) and under an hour's drive from the coast.

I just wanted to say thank you to you for another wonderful week at La Maison Anglaise; all the house staff who were superb as ever. I went out there wondering if my second visit could possibly match up to the first in 2017 and I can honestly say it was even better. There was much to enjoy that was familiar (the hammam, the High Atlas trek, the souk) but also new things to try. Feb 2019

Feel safe thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Good WiFi and mobile network. Short, inexpensive flight; 50 minute road transfer with our own safe drivers. Compared with Europe, better value for money.

It struck me especially this time how much people who come on these holidays are often dealing with in their personal lives and how important and restorative the whole heart-warming experience is for them. You've created an amazing thing. Leader, Feb 2019

"Holidays with Heart". The holidays are well named. The staff are so welcoming and made us feel part of the 'family'. They put their heart and soul into making it such a rich Moroccan experience. I loved trekking in the mountains and passing through villages, following the aqueducts and delighting in the doors and gates, the wildlife - tortoises, storks, hoopoes, lizards, the argan, carob, olive and orange trees. The lovely brown walls that blend into the countryside. The hammam where all veneer was scrubbed away and we were just women together, comfortable in our nakedness. The food such a delight to look at, so colourful and tasty, such a variety of vegetables and fruit flavoured so strikingly. Singing participant, Feb 2019

I was totally overwhelmed by the whole experience as I think were quite a few of my fellow singers. It was so different to anything that I've ever done both as a cultural and singing experience. I loved all the trips that we did and was amazed to see how Holidays with Heart have helped those less fortunate than ourselves. The people that we met were so lovely and made us feel welcome. Your instructions were very thorough, leaving no stone unturned all making for an enjoyable holiday - thank you. Feb 2019 singer

**** Note.** We have a limited number of places at a reduced rate, sleeping in traditional tents in the garden (details available on enquiry). We reserve the right to amend the cost of the holiday if the exchange rate is severely and adversely affected by factors beyond our control such as Brexit. Costs are calculated at least a year in advance and can cater for normal exchange rate fluctuations, but not extreme, sudden changes that may occur in these politically uncertain times. The good news is that the Moroccan Dirham has been much less volatile than the Euro in relation to the GBP!
