Lisa is an embodied teacher who brings the qualities of attentive, intuitive listening and reading of the body, as well as nurturance and care. She began practising Yoga eighteen years ago, after the birth of her first child, and was amazed by the positive changes it made to her body, emotional wellbeing, spiritual connection and sense of mental clarity. She felt so inspired that she went on to complete a Foundation course with the British Wheel of Yoga and then to train as a Yoga teacher with the Inner Yoga Trust (Scaravelli inspired)

Enjoying the **best winter climate in Morocco** due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables, it lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (beyond which lies the Sahara).

Explore the fascinating culture with the help of delightful guides; option to trek or laze in the sun.

Feel safe thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Good WiFi and mobile network. Short, inexpensive flight; 50 minute road transfer with our own safe drivers. Compared with Europe, better value for money.

"It was the most wonderful experience. We were met with warmth, companionship, friendliness and openness by all the staff and the Moroccan people everywhere we went in Taroudant and its environs. The trips were always led by local people with a connection to, and affection for, La Maison Anglaise, which meant we got to do and see things most tourists wouldn't. So many unforgettable experiences. I would recommend anyone to visit. You'll be safe, well-fed, entertained and made to feel part of a very loving family". **Many more fabulous reviews on [Trip Advisor here](#).**

“Lisa is an excellent yoga teacher; her sensitive style allows for all levels and abilities to feel welcome and at ease in her class. She has excellent body awareness which is passed on to her students, empowering them to trust their body’s inner wisdom. I look forward to my weekly class knowing my body and spirit will feel balanced and nourished afterwards”. From 2018 trip: “Loved it, Loved it, Loved It”
