La Maison Anglaise
Holidays with Heart

Donna Maria Taylor - a York Open Studio artist.

Donna is a mixed media artist working across a range of mediums. She has worked in theatre design & production for many years - as a designer, scenic artist and prop / costume maker and this line of work has very much given her a multi disciplinary approach to her art. Recent companies that she has worked with in this field include; - Shakespeare's Rose Theatre, West Yorkshire Playhouse, York Theatre Royal and Oxford Playhouse.

Alongside her theatre work, she has taught adults part time for over 20 years. She qualified with a B.A (Hons) in Design, a Post Graduate Diploma in Theatre Design and a PGCE in Post Compulsory Education and Training and she regularly teaches Adult Education courses and workshops in and around the City of York where she is based. These include regular 'painting and drawing' and 'experimental watercolour' classes.

She ran her first art holiday abroad to Spain in 2017 and in March 2019 she led her first sketching holiday to Taroudant in Morocco. She had such a

fantastic time and was so inspired by the wonderful people, landscape and wealth of visual inspiration in Morocco that she is keen to revisit with other groups in the future. She is also very much looking forward to staying in the new La Maison Anglaise ECOLODGE, having had a taster visit when it was 'work in progress' during the Spring of 2019.
