**The Place** Based in Taroudant, an ancient walled market town little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff. A chance to buy some beautiful handcrafted items, food and other delights in the souks.

**The Climate** The best winter climate in Morocco due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables. It lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara).

**Heartful Holistic Holidays** A wide choice of other authentic activities including option to support charitable projects. Explore the fascinating culture with the help of delightful guides; option to explore or laze in the sun. More information about meaningful group holidays at [www.holidays-with-heart.co.uk](http://www.holidays-with-heart.co.uk)

**Feel Safe** Thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Road transfer with our own safe drivers. Very good Wi-Fi and mobile network.

*"A wonderful holiday.. its reputation is well-established, but it is now based at an amazing new sustainable, purpose-built ecolodge. ... exceeded our expectations (plus we are not normally fans of organised/group holidays!). Fabulous team, delicious food (including vegan), amazing accommodation, wonderful activities! Taroudant was a brilliant location to get a feel of authentic Morocco." Jan 2020*
