

Beekeeping & Cultural Holiday in Morocco

with Lynne Ingram

10th – 18th November 2020

- Enjoy sun, the exceptional menu of local healthy food, an exotic culture and environment at an award-winning, comfortable, sustainably-run [La Maison Anglaise Ecolodge](#) in Taroudant, an ancient walled market town little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff. Based here for 5 days in heart of the fertile Souss Valley, the source of an abundance of fruit and vegetables, Taroudant is close to the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara), all providing good habitats for bees

- 3 days at Ouirgane Ecolodge in the High Atlas Mountains
- More about our meaningful holidays at www.holidays-with-heart.co.uk
- Based on a successful holiday that we have run before to raise funds for Bees Abroad, with extras

- Master beekeeper, Lynne Ingram, has been keeping bees for over 30 years. She is an experienced teacher, lecturer and BBKA examiner and assessor. Lynne fell in love with Morocco 8 years ago and has been working with beekeepers from the Atlas Beekeepers Cooperative near Taroudant since then. She is passionate about bees and loves to be able to share that passion with others
- Highlights of the trip include learning about the reintroduction of the endangered Yellow Saharan Bee, a visit to the largest traditionally built communal apiary in

the World as well as hands-on experience with the docile Yellow Bees and with various types of hives and habitats

- Support of 8 charming English-speaking Moroccan staff experienced in running group holidays
- A wide choice of other authentic activities including option to support charitable projects
- Substantial pre-visit information and support from owner with 25 years' experience of Morocco
- A chance to buy some beautiful handcrafted items, food and other delights in the souks
- Explore the fascinating culture with the help of delightful guides; option to trek or laze in the sun
- Feel safe thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Good WiFi and mobile network. Short, inexpensive flight; road transfer with our own safe drivers. Compared with Europe, better value for money

"If only there were more places like this: a medina house run by locals offering a rare glimpse into Moroccan life. They offer skilled guides, exciting cultural experiences and delicious Moroccan meals."
