The Venue Well known for magical meaningful singing holidays and excellent food. Experience an exotic culture and environment at an award-winning set up, recently relocated into a stunning sustainably run EcoLodge beside the town walls with a pool and permaculture gardens.

The Place Based in Taroudant, an ancient walled market town little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff. A chance to buy some beautiful handcrafted items, food and other delights in the souks.

The People & the Singing

Support of 11 charming experienced mainly English-speaking Moroccan staff. The Holidays with Heart UK team provide substantial pre-visit information (25 years' experience). Jane will teach a variety of songs from around the world in her own inimitable, fun way. Start the day with song on the roof terrace. Sing indoors in the evening in the comfortable activity room. More about singing: janereadsings@gmail.com

The Climate The best spring climate in Morocco due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables. It lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara).

Heartful Holistic Holidays A wide choice of other authentic activities including option to support charitable projects. Explore the fascinating culture with the help of delightful guides; option to explore or laze in the sun. More information about meaningful group holidays at www.holidays-with-heart.co.uk

Feel Safe Thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Road transfer with our own safe drivers. Very good Wi-Fi and mobile network.

*"A wonderful holiday.. its reputation is well-established, but it is now based at an amazing new sustainable, purpose-built ecolodge. .. exceeded our expectations (plus we are not normally fans of organised/group holidays!). Fabulous team, delicious food (including vegan), amazing accommodation, wonderful activities! Taroudant was a brilliant location to get a feel of authentic Morocco." Jan 2020. Bringing a group of people is an extra pleasure because every time they tell me what a wonderful time they are having and often that **it is the best holiday they have ever had**. It is the hard work, friendly care and dedication of the staff together with their knowledge and the sustainable projects they support that makes this more of a special life experience than just a holiday.
