**The Venue** Escape the British weather to enjoy winter sun, the widely praised food, an exotic culture and environment at an award-winning set up, recently relocated into a stunning sustainably run EcoLodge beside the town walls with a pool and permaculture gardens.

**The People** Support of 11 charming experienced mainly English-speaking Moroccan staff. The Holidays with Heart UK team provide substantial pre-visit information and support and have 25 years' experience of Morocco.

Sue Harris has been immersed in music all her life and has been running community choirs for 25 years. She believes that singing is vital for our well-being and one of the most uplifting experiences we can have. Sharing songs and harmonies together connects us all in the loveliest of ways.

She sources traditional music from around the globe and writes songs which respond to the wonders of Nature all around. There's always lots of smiling, laughing and luscious harmonies at her workshops.

**The Place** Based in Taroudant, an ancient walled

market town little visited by tourists and with shopper-friendly souks to which you may be introduced by one of our staff. A chance to buy some beautiful handcrafted items, food and other delights in the souks. Expect it to look better -the gardens have grown a lot since the pre-Covid photo above!

**The Climate** The best winter climate in Morocco due to its southerly setting in the fertile Souss Valley, the source of an abundance of fruit and vegetables. It lies between contrasting mountain landscapes: the majestic High Atlas and the extraordinary Anti-Atlas (bordering the Sahara).

**Heartful Holistic Holidays** A wide choice of other authentic activities including option to support charitable projects. Explore the fascinating culture with the help of delightful guides; option to explore or laze in the sun. More information about meaningful group holidays at [www.holidays-with-heart.co.uk](http://www.holidays-with-heart.co.uk)

**Feel Safe** Thanks to the care of the staff, good medical facilities (no compulsory vaccinations), safe water as well as the town being small, relaxed and friendly with few tourists. Road transfer with our own safe drivers. Very good Wi-Fi and mobile network.

*"A wonderful holiday.. its reputation is well-established, but it is now based at an amazing new sustainable, purpose-built ecolodge. .. exceeded our expectations (plus we are not normally fans of organised/group holidays!). Fabulous team, delicious food (including vegan), amazing accommodation, wonderful activities! Taroudant was a brilliant location to get a*
